

## Food Safety Alert – 1/11/07

The *Salinas Californian* is reporting that there will be two meetings on food safety today. Both are closed to the public. Western Growers will meet in Salinas with its members as well as other agricultural groups. The meeting is to take place from noon to 1:30 p.m. at Sherwood Hall. State Assemblywoman Anna Caballero (D-Salinas) will host a private meeting with state officials in Sacramento. Both meetings are primers for tomorrow's public hearing on the voluntary California Leafy Green Marketing Agreement that would set standards for shippers and packers. As we know, that meeting is to take place at the Monterey County Fairgrounds beginning at 10 a.m. tomorrow in the Monterey Room.
